

Concordia University Part-time Faculty Association
Association des professeur(e)s à temps partiel de l'Université Concordia

Remember us?

How much money has Concordia spent on buy-out packages for administrators who were sent packing in the last six years?

How much on pointless legal fees trying to take an arbitration we won to the Supreme Court?

Why are we paid only 17 cents of the academic dollar when we teach 40% of the courses?

Good questions.

After six years we still do not have a renegotiated collective agreement. We still have no answers.

Responsibility for such shoddy governance rests with members of the Board.

It's time they were made accountable.

Enough is enough.
